

Rachel's Vineyard Retreats For Care and Healing after Abortion

**Held in Williams Bay, Wisconsin on beautiful Geneva Lake
February 22nd-24th, 2019
September 6th-8th, 2019**

Abortion hurts, more than many may have imagined.

We have been there. You are not alone.

The good news is we discovered a place where we could talk about our pain, and place our hearts in the loving hands of others who understood. The best news is, God met us there too. Where?

RACHEL'S VINEYARD.

This very unique and gentle weekend retreat allows you to walk through the healing process at your own pace.

There is time for individual help if needed, and time for group work.

There is even time to walk along the lakefront, and sometimes time to roast marshmallows as we share with one another.

There are times of exploring Scripture to see for yourself that God is a God Who forgives, and still offers you His unconditional love.

You are not your past. There is a better future ahead for you.

Retreats begin on a Friday evening at 6:30pm & conclude Sunday afternoon about 1pm. Lodging for two nights, all meals & materials are included in the registration fee of \$175 per person and married couples will receive slight discount. Any special financial arrangements must be made in advance of retreat. Some partial scholarships are available.

COME, LET THE HEALING BEGIN!
